

Long waited and prepared especially for our clients new functions on our service already working!
Many weeks of preparation and tests carried out by the professional team of experts in programming and graphics has been topped with success by running of two new locations in the service to the full communication between company and clients.

Many months of work basing on scrupulous conducted researches about expectations of our current and potential clients, allows us to finally meet the expectations of all interested and to run in our service www.ilspoland.pl a long waited two functions named: News and Search.

News is a place in our service which allows to present you all information, news and advices from the polish and foreign real estate markets.

Thanks to this new interactive function every interested will be informed cyclically about all events and matters which can definitely help in making tough decisions related with rapidly changing conditions in the local and global markets related with the real estate mediation. All of you will be able to find individually answers to many questions appearing every day, our company will, in turn, freely communicate with a group of interested clients, who often wonder ehe it can be readed everything what is necessary to make a decision about buying or selling property, whether in our country or abroad. This module was extended with features which in the preview of any news provide for example files to download or photo galery and also the ability to communicate with friends in whole world by many active now and more popular social networking plugins.

2. While Search, is a place presented all currently searching properties by our clients on a numbered list which in the view of each position from the list describes precisely even the most demanding criteria of interested people. This second interactive function allows to all visitors of our website to know wide range of advertisements about searches of our clients and even allows to immediate response to the selected advertisement or notify own shopping preferences related to searching properties in Poland or abroad.

We wish you pleasant read and satisfaction from running functions
